

Summer After School

SUMMER AFTERSCHOOL

If you book an attendance pattern that includes After School lessons, go to [this link](#) online to select your choice of Afterschool class.

Notes:

- If you do not select your child's classes online but you have booked/paid for them, our teachers will automatically place your child in class.
- Unlike the time spent in our regular day programme, we do not provide newsletters for the after school classes or sessions from 3 pm.

PRIVATE TUTION

One-to-one tutoring is also available during Summer School with advance booking. We offer lessons in a variety of academic subjects, several languages, a range of musical instruments, and vocal coaching. Private tuition is available six days a week. Please enquire for tutor schedules and current availability.
